

Medical Town Hall

April 29, 2020

From Jennifer Amundsen : Thank you for joining COCAI's Medical Town Hall. Please let us know your name and Camp Name. Also, post questions here and ask one another questions here.

17:07:22 From Deb-Camp iHope : Are any of you having staff think we can ease up on cancelling because states are opening up services?

17:10:16 From Michael Amylon : 1) Local area active cases essentially zero
2) Sufficient testing capacity to know that we really are close to zero and it's not creeping back where we can't see it
3) Sufficient public health personnel in place to do contact tracing and quarantines to maintain control if local outbreaks occur
4) This is a minimal criteria list, and other things will also be taken into account, such as whether there is a vaccine, a reliable test of immunity, treatment options available, and how our families and other stakeholders are feeling about their own readiness to be together in crowds again.

17:15:48 From Don Golden : Great idea!

17:15:59 From Iain - Camp Happy Days : Awesome idea!

17:16:01 From Kellie-Smile-A-Mile : That's a great idea!

17:17:07 From Tammy Jenkins : love it! Thanks in advance for sharing about incorporating med staff, Susie!

17:17:39 From Tara VanDerpoel : For the medical office hours, would staff play virtual games with the kids or an opportunity to ask the staff questions? This idea is awesome!

17:18:47 From Tara VanDerpoel : Great - thank you!

17:23:49 From Don Golden : In May COCA-I will be hosting 2-3 town halls for camps to share ideas for Camp in a Box approaches Keep an idea out for the May schedule!

17:25:36 From Deb-Camp iHope : Don are you recording the programming meetings so everyone has access to the materials--I had only seen the medical town hall meeting minutes unless I am missing it somewhere

17:27:28 From Matthew-COCA & Camp Happy Times : Deb, are you talking about the Virtual meetings with Jack and Skee?

17:27:31 From Don Golden : Hi Deb- all these meetings are being recorded (as well as the chat box logs) . We will be announcing a website (probably tomorrow) which will have all the recordings, a calendar of events, Event descriptions, etc..

17:27:45 From Matthew-COCA & Camp Happy Times : And there you go!

17:28:00 From Deb-Camp iHope : thank you

17:36:49 From EmJ- Camp Happy Days : We'll have a schedule sent out with a video to explain what the ceremony is. That is a good idea to make the parents aware of specific days that will be more emotional.

17:48:13 From Kellie-Smile-A-Mile : yes for sure

17:48:24 From Deb-Camp iHope : That would be great to hear an update from an infectious disease doc

17:48:25 From Tammy Jenkins : I don't know what Special Love will be doing about graduates, but we definitely cannot bring them back to camp. We have a rule about no campers over 18, for the reasons discussed.

17:48:56 From Iain - Camp Happy Days : THANK YOU JENNIFER

17:49:15 From Tara VanDerpoel : I'm new to my organization, can my email be added to the group to receive invites for these sessions and other information?
