00:47:38 Leann- Kay's Kamp (DE):How often do you do programming?

00:48:08 Leann- Kay's Kamp (DE):Do you have a template schedule for those 6 hours?

00:48:24 Astin Godwin - COCA-I: <https://hometownstompingground.org/>

00:48:38 Astin Godwin - COCA-I: <https://www.thesummercampsociety.com/covid-19>

00:49:50 Jack Schott - Stomping Ground: Nice. Keeping everyone on mute is a great tip

00:50:24 Leann- Kay's Kamp (DE):How many staff do you have that help for a weeklong virtual programming total?

00:51:41 Jack Schott - Stomping Ground: We have 5 hosts that host throughout the day and then our seasonal summer staff volunteer to fill as the performers

00:51:47 Dina Dattilio - Camp Ta-Kum-Ta:I'd be a bird!

00:55:07 Leann- Kay's Kamp (DE):Would you be able to share some of the prompts you use for the end of the day reflection? Or, tell me where to find them? I'm wondering if you broach the topic of why we aren't together (obviously in different ways for different ages).

00:57:21 Astin Godwin - COCA-I: And as a host (on zoom), you can force stop share for participants

00:58:34 Astin Godwin - COCA-I: Michael Jordan

00:58:57 Benton Smith, Camp Rainbow Gold: Can participants signing in from phones and tablets navigate to the whiteboard function and if not, is there a way for the host to open it for them?

01:00:20 Jack Schott - Stomping Ground: Yes they can

01:01:04 Astin Godwin - COCA-I: <https://support.zoom.us/hc/en-us/articles/205677665-Sharing-a-whiteboard>

01:01:10 Astin Godwin - COCA-I: Info about sharing

01:03:20 Michele Vernon - Sunrise Association: have you used individual classrooms for groups - what size would you recommend using classrooms instead of staying in one group? Can you pre- assign people to classrooms or is arbitrary?

01:04:29 Jack Schott - Stomping Ground: You can pre assign

01:04:57 Jack Schott - Stomping Ground: I think groups of more than 10 become hard to have much interaction. But that isn't a hard and fast rule

01:06:15 Darryl - Camp One Step: We used it this weekend. It worked great. The host can send messages to the individual breakout rooms around gathering time back in the "main room". We had about 5 - 6 kids in a room with two staff.

01:06:18 Jack Schott - Stomping Ground: We don't use the breakout rooms much because we haven't had that big of groups for this. I use it a lot with grownups in The Summer Camp Society. We mostly aren't doing it because we haven't had enough staff on each call to have a supervisor in each room

01:09:06 Astin Godwin - COCA-I: that's ice cold

01:12:23 Morgan - Camp Okizu: We are doing family Bingo next week!

01:13:00 Michele Vernon - Sunrise Association: Are there any items you would recommend to put in a parent permission sign off for campers participating in virtual camp

01:16:38 Tracy Bryan: Did you create a special waiver when going virtual?

01:17:46 Suzie Camp Okizu: I just got off of a call with our insurance agent, and she said absolutely we should do a waiver for virtual programming. We are going to develop one with her help
