CHILDREN'S ONCOLOGY CAMPING ASSOCIATION

Mission:

To strengthen, support, and connect the international community of camps serving individuals and families affected by childhood cancer.

Current electable board positions are: COCA Secretary, Development Committee Chair, Gold Ribbon Committee Chair, and Conference Committee Chair. To submit a nomination, visit cocacamps.org!

COCA has 8 committees that all members are welcome to join. These committees are: Governance (consists of only COCA board members), Membership, Development, Research & Education, Gold Ribbon, Social Media & Marketing, Conference, and Finance.

Check out the website to see the committee's purposes, and to reach out to the chairs to get involved!

The Gold Ribbon Accreditation Program is a voluntary education program intended to help COCA member camps identify policies and practices, specific to their setting and population, that are documented and delivered in the course of providing a medically and emotionally safe pediatric oncology camp experience.

To become a visitor for the program, please email Callie, callie@cocai.org.

The Gold Ribbon Accreditation Program is sponsored by Care Camps Foundation.

The Professional Development Learning Center (PDLC) is the source for excellence in pediatric oncology camping!

Comprised of module-based courses with critical thinking questions, the PDLC is an excellent collection of staff training material. To get your camp started, email Callie, callie@cocai.org. To sign up as an individual, visit coca.thinkific.com/collections.

COCA hosts a robust schedule of virtual education every year!

Upcoming education includes:

Jan. 22, 12pm EST: What's New in Camp Research? Evidence-Based Insights for Pediatric Oncology Camps, hosted by Dr. Ann Gillard

Feb. 4 & 11, 5pm EST: Disaster Planning Workshop, hosted by Patrick Hardy

Mar 31, Apr 2, 8, 6:30pm EST: Staff Training Summit hosted by Emily Golinsky
